

# Strange Animals

Let's learn some animal facts in an interesting way:  
Strike out the letters of the bubble from the flowers given at the end to get the answers.

**Hint:** Cut 'I' and you get the animal hiding behind the flowers, that is a GIRAFFE.

- 1 A **I** has the same number of bones as a mouse.

Giraffe

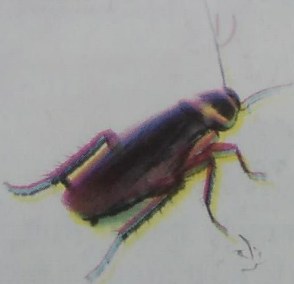

- 2 An **D** has five hearts.

Earthworm

- 3 A **F** can jump 20 times its own length.

Frog

- 4 A **K** can live up to 9 days without its head.

COCKROACH

5 A **S** can never get sick.

S H A R K

6 An adult **A** can run as fast as a horse.

B E A R

7 A **C** smells with its tongue.

S N A K E

1. ~~X~~ G I R A F F E
2. ~~D~~ E A R T H W O R M
3. ~~F~~ F R O G
4. ~~K~~ C O C K R O A C H
5. ~~S~~ S H A R K
6. ~~A~~ B E A R
7. ~~C~~ S N A K E

*Do You know?*

**Great White sharks** have about 300 teeth in as many as seven rows.
