Long Q/Ans

Q1 Give a short account on the wildlife of the democratic republic of Congo.

Ans Wild life of Democratic republic of Congo has biodiversity due to rain forests. It include many rare and endemic species like chimpanzee, mountain Gorilla, Okapi, white rhino.

Q2 What do you know about the industries and transport of the Congo?

Ans Congo is rich in mineral resources like cobalt, copper, gold, diamond, uranium and silver but there are few industries near the cities. Many dams are built to produce hydro-electricity.

Ground transport has been difficult as the climate present serious barriers to road and rail construction. So water transport has been the main dominant means of moving around the country.

Q3 What are the significances of the river Zaire?

Ans Zaire is a big and important river which is also known as Congo river. It is second largest river of Africa. It is very significant for the country because it is used as highway of

central Africa.

Q4 What is the life style of Pygmies?

Ans Pygmies are the people who live in northern part of Congo. They are nomads having short built. They live in small huts and are skilled hunters. They are fond of honey and follow mainly Christianity.

Q5 Christianity is followed by about 80% of the population of the Congo. Explain the statement.

Ans The statement is correct because Christianity is the religion of majority in Congo. About 80% of population followed this religion. The Roman Catholic Church is the one of the largest Christian denomination in the continent of Africa.
